EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Dana M. Gordon (Reg # 44,719) on 2/24/10.

The application has been amended as follows:

Claim 27 (canceled)

Claim 28 (canceled)

Claim 30 (canceled)

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The examiner has found claims 1, 3-11, 13-26 and 31-38 to be unobvious over the prior art of record and therefore to be allowable over the prior art of record. The present invention relates to compounds of a given formula and a method of preparing said compounds. The compounds of claims 1, 3-11, 13-18, 31-38 possess structural differences to the compounds of prior art documents and these differences are not suggested in the prior art, nor are obvious over the prior art. For example, the compounds of the present invention contain different numbers of monosaccharide residues, structural linkages and different types of functional groups or moieties attached to their pyranose rings as compared to compounds of the prior art. Similarly, the prior art does not teach or fairly suggest the method recited in Claims 19-26.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

The examiner can normally be reached on 8.30am-5pm; Mon-Fri. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Shaojia A. Jiang can be
